WHAT YOU CAN EXPECT

- **Your client stays your client.** I do not approach your clients directly, and any follow-up requests from your projects go back to you as part of our partnership.
- I appear in your name and work with your methodology and materials.
- I am well prepared, on time and reachable, before, during and after the assignment.
- I bring more than 20 years of hands-on Operational Excellence experience, not just slide knowledge.
- I work in German and English, including with international groups.
